INSTRUCTIONS

This voucher was created for usage in the United States District Court, Western District of Washington only. It replaces the AO 322 form (Interpreter's Report Of Services And Claim For Compensation And Expenses). It is to be used only if interpreter services were requested by the Clerk's Office, Pretrial Services, or Probation. All other interpreter services will be paid by the party that ordered the service. Any voucher submitted for payment for non-certified Spanish interpretation services must be accompanied by an affidavit stating that federally certified Spanish interpreters were unavailable for service.

Use this form to claim compensation and expenses and to report services rendered by an interpreter (other than CJA interpreters). The Court Interpreters Act, Public Law 95-539, enacted October 28, 1978, provides for the more effective use of interpreters in courts of the United States. The Act requires the Director of the Administrative Office of the United States Courts to report annually to the Congress with respect to requests for, and the use and effectiveness of, interpreters. This form is designed to support payments made to the interpreters and help collect data for the report to Congress.

GENERAL

This form will be executed by the interpreter with the assistance of the clerk of court's office to support requests for payment to the interpreter and will be attached to Standard Form 1034 - "Public Voucher For Purchases and Services Other Than Personal." There is a general authorization to pay interpreters appointed by the court for interpreting judicial proceedings based on the Court Interpreters Act.

PRESIDING JUDICIAL OFFICER

Indicate the name and title of the presiding judicial officer in whose court the interpreter services were provided, as well as the case name and number.

PAYEE INFORMATION

Provide the complete name and address of the payee submitting the claim. (If the payee is not the interpreter, the interpreter's name and relationship to the payee should be provided parenthetically following the payee's address.) A taxpayer identifying number must be supplied UNLESS payment will be made to a corporation. The laws of the United States require the interpreter to furnish his/her taxpayer identifying number to the Director of the Administrative Office. I.R.C. §6109, 26 C.F.R. §301.6109-1© (1978). If the interpreter's taxpayer identifying number is a social security number, the following notice is given to the interpreter:
